SUPALITE PLUS

INSULATED SKYLIGHT KIT

It's easy to install your SUPALITE PLUS ray of sunshine

Introducing the *SupaLite PLUS Skylight* – A complete skylight system that delivers outstanding performance with clean modern appearance, whilst delivering unrivalled insulation and energy efficiency. The modular construction makes *installation simple* for the tradesman or competent handyman.

When you invest in an *ACOL* skylight system from our wide range of sizes and models, *you will create a natural, brighter, cleaner, happier lifestyle and environment for your home or office.*

There's no reason to suffer dark and gloomy corners or rooms – *ACOL have mastered the art of providing the right natural light to suit your needs* and with over 25 years of industry experience, our unique designs mean maximum light with minimal heat loss/gain. Available for all roof types.

SupaLite PLUS Kit includes:

- Insulated polycarbonate glazed roof assembly
- Aluminium reflector bands x 2
- High performance mylar/polyester lightshaft
- Powdercoated aluminium ceiling frame
- Prismatic diffuser
- Installation instructions

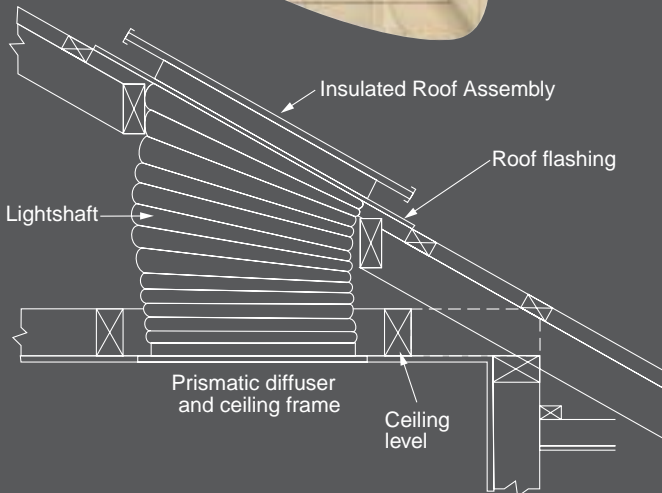

Manufactured in many different sizes to suit any application.

SQUARE		RECTANGLE	
CODE	SIZE mm ²	CODE	SIZE mm ²
